

## The Stealth360 Covert Earpiece

### THE STEALTH360 COVERT EARPIECE

Stealth360 offers an exceptional comfort, which makes it wearable all day or during long shifts without ear fatigue and discomfort. The unique patented design bends the wire close to the head to give a comfortable and secure fit. The ear plugs come in various sizes with a lightweight and perfect fit for your ear.

*The world's first micro-speaker earpiece used for two-way radio communications.*

*Ear wax removal filters included with each product*
