

# TITAN Heavy Duty Helmet Attachment Headset

TITAN Safe Com Heavy Duty can be fitted onto most safety helmets, providing an ideal solution for people working in hazardous environments with the need to wear safety helmets. The Helmet Attachment Headset

provides crystal clear communication through a waterproof state of the art noise cancelling microphone.

The very comfortable earmuffs provide an excellent noise reduction of 26dB.

**The headset comes in 3 versions:**

- Directly connected to the Radio
- In-line push to talk button (PTT)
- Push to talk button located on the ear cup

HDC-HA-C

Helmet not included
