

The TITAN Waterproof Headband Headset

For Maritime Environments

THE TITAN WATERPROOF HEADBAND HEADSET

The Titan Waterproof Headband Headset has a fully sealed loudspeaker and an IP67 waterproof noise cancelling electret microphone, which makes it the perfect choice for users needing to communicate in maritime environments, such as Coast Guard, Lake Rescue and Search and Rescue personnel.

The headset has an adjustable headband strap and it has a slick design, which fits under most protection helmets and hard hats. The Waterproof Headband Headset comes in green or tan color.

Fits underneath rescue helmets
