

TITAN In-Ear Microphone Headset

Ear Protection and Communication Headset

The Titan In-Ear Microphone Headset

The TITAN In-Ear Headset with Microphone is the perfect critical communication solution for users in challenging, loud environments that need clear communication at all times.

The patented In-Ear Microphone captures speech patterns in the ear canal to deliver clear sound even when you are whispering. The In-Ear Headset comes with various foam sizes to ensure optimal comfort when using the headset.

The solid Nexus connector enables endless communication options.

Behind-the-ear earhanger and 2 different sizes eartips included
